## WINE GEESE

*The term 'Irish Wine Geese' is derived from the flight of the 'Wild Geese' in the late seventeenth century, when Catholic Jacobite soldiers fled Ireland for France for political and economic reasons.*

*Many of these soldiers and their immediate descendants flourished as merchants and traders, and later owned properties, estates and vineyards around the port of Bordeaux.*

*Today, the Irish influence on vineyards globally continues this pioneering tradition. The following is a list of wines and wineries with an Irish connection.*
